AN INTERESTING ITEM · Chicago, Nov. 15. - Chicago will be the battleground this year for the annual struggle between

the best corn producers of the normal class after Xmas we ever had. This wlass will be crowned States. The struggle entire country to determine who will be held in connection with the International Live Stock Exposition at the Union Stock show since 1914 on account of

the war. Already the entry list is large, with the very best corn growers in the country competing for the \$10,000 in prizes off red by the Chicago Board of trade.

In addition to the corn which will be on display from the various states, fourteen agricultural colleges will have exhibits of an educational nature.

One of the special features will be a m'niature farm. This will be a complete layout of a The Alumni Banquet will be farm, showing the number of served sometime during the cattle, hogs, sheep, horses, chickens, etc., that an average cornbelt farm can profitably carry. so as to save labor and increase

the efficiency of the operator. Judging from the many entries of corn, oats, wheat and all kinds of hay now being received, the show this year will far surpass that of previous years. The corn and small grain growers not only are interested, but the hay producers, who are given an opportunity to show what they can do, will be at the show in force.
